ADDRESS OF EMPLOYER: Piazza S. Giovanni in Monte 2, 40121 Bologna, Italy paola.bonora@unibo.it		NAME OF SUPERVISOR: Paola Bonora
DESCRIPTION OF YOUR DUTIES		

I worked as coordinator of the exhibition *Geografie dell'instabilità*, sponsored by the Dept. of Geography of the Università di Bologna, aimed to represent through maps and panel different phenomena of the globalization.

I coordinated all the researchers, designers and map maker, working closely to the hear coordinator, prof. Paola Bonora. As well I realized three different analysis and wall maps (Jerusalem, Urban Sprawls and Oil Conflicts). As a coordinator I set the agenda (highly important due to the strict deadline, 9 days to organize all the 22 panel), and coordinated all the people cooperating and working for this project.

DESCRIPTION OF YOUR DUTIES

As communicator manager I've:

- strengthened up the PR and communication strategy of the NGO Project HOPE (new logo, coordinated image, website, leaflets, merchandising)
- created the communication structure (forum, server, mail system, blogs and so on)
- enlarged the network with other NGO and agencies to promote project HOPE.

I also took care of fundraising events and all the communicational strategies for promotion and fundraising. Events such conferences, fundraising dinner, merchandising selling and promoting awareness on the situation in Palestine were coordinated by me.

I organized directly several events; especially conferences and movie projection in Italy to fundraise for the educational project of project HOPE in Palestine.

I also realized different videos to promote the activities of the NGOs in order to describe the harsh situation in the Palestinian refugee camps.

As a volunteer manager (in the meanwhile I become volunteer director of the Italian brunch of Project HOPE,) I managed in a joint activity with the SCI (Servizio Civile Internazionale) the selection of human resources especially from Italy. Moreover I organized cultural training to those volunteer selected for a LTV, in order to insert them better in the social and cultural life of Palestine. I manage to provide assistance for insurance, organizing the trip and the staying during the period of staying of the volunteer. I used to update the database of those were volunteering with us and provided them weekly information. As well, during my long staying in the West Bank I used to provide them full assistant in case of Emergency or medical problems.
